

The Kid

By Christian Koch
5th Grade

One day I woke up and saw a shadow outside my window! I freaked and tried to get my mom but she was gone!! So I called the police. They said the FBI needs me, and they will bring a cop car to get me out of there.

On the ride I saw a prison-like base they said it was the FBI base, but I didn't believe them. It appears it is the military base. When we got there a person introduced himself. He said, "my name is T.J. and you're in serious danger."

"A military wants a sample of your blood. It's special, your blood." "Why is my blood so special?" "It is so special because it pumps 4,000 beats per second to where you can react faster. So you are going to learn to use it. I want you to focus. it makes you get pumped. Now you need muscle-you're puny!"

"Ok why am I doing this?" "You are doing this because we are going to find out why a military base wants a sample of your blood." "Um... I am a kid!!" "Not if you take this pill, but it will eventually it will wear off."

We are driving to Russia; there is the base. I said, "They're not going to let us in unless they take you." "Ok, lets take the alarm out and sneak in." "Awesome! That sounds good. How will you take the alarm out?" "Oh, the alarm is on this side of the fence. We will take out a wire and hope it won't go off." "Ok, let's go."

We're in! "Ok, what do we do now?" "Try to find plans on what they are going to do." "It looks like they want to make more of you." "Ok, let's go before anyone finds us." "We have all ready found you!" Oh no! Not good! "I am going to get a sample no matter what." "Jokes on you we called back up and you're done."

"From now on we will stay home. You see, we're military and military sticks together." "Your mom will be home when you get back." "Why did you take my mom?" We took her because she was not safe they could have used her to get to you."
