

B-Team Boys Come from Behind

By Judy Rogers

The GPMS B-team boys basketball team didn't score in the first quarter of their game against Northern Valley in Almena on December 18. The Huskies took advantage of this early struggle and put in 17 points during the first.

Their early challenges did not deter them as they dug deep and worked hard to put in six points in the second quarter. The Huskies added 8 to hold the lead 25-6 going into the half.

The second half belonged to the Bulldogs as both teams scored 8 in the third. The Bulldogs had a great fourth putting in 10 points and held the Huskies to 2. However, the early run by the Huskies gave them the win 35-24.

Scoring for the B-team were Wade Rush-10, Austin Patmon-8, Rolis Loya-2, and Jaime Infante-2. The boys, who hold a 4-2 record, will play Triplains/Brewster when they return from Christmas Break on January 5.
