By Judy Rogers

The Golden Plains Bulldog basketball team won their second game of the season 52-38 over Western Plains/Healy in a rescheduled game on January 17 in Rexford. "It felt good to get another win," said senior Jacob Ritter. "We are getting better at rebounding and working together more as a team as we figure out our roles."

The GP boys got off to a good start with a nine-point run to start the game. The Bobcats answered with three but the Bulldogs pushed forward for a 15-5 lead by the end of the first.

The Bulldogs only managed another six in the second quarter as the Bobcats pumped in 12 to bring the game to within four at the half with the 'Dogs holding on for the 21-17 lead.

Both teams worked hard in the third with sophomore Wade Rush scoring six to get the team started. They finished the quarter outshooting the Bobcats 15-13 to maintain the lead. The Bulldogs never quit as they played the final 8 minutes by adding another 16 to their final score and the win 52-38.

Wade Rush and Caleb Korte each scored 15 points for the win along with Jacob Ritter 13, Josh Spresser 5, Fabian Cepeda 2, and Jovanny Infante 2. The Bulldogs traveled to Weskan on Friday, January 18, for a regularly scheduled game.
