

## MS Girls Start Off the Season

By Jordyn Fleckenstein

The Golden Plains Middle School volleyball team started off their season with games on September 2 in Rexford. They played three exciting games against Triplains/Brewster with A-team, B-team, and C-team all capturing the win.

The A-team started the evening off right by winning the first set 25-10. The Dogs kept up the great work and won the second set 25-7. They had multiple girls with great serves. "I was very excited to play our first game," said 8th grader Hayden Wark. "We played well as a team, but we need to work on our talking."

The next match-up was the B-team Lady Bulldogs. They won the first set 25-7. The Bulldogs took off in the second set winning 25-2. "I had fun and think it went well for our first game of the season," shared 8th grader Jaqueline Manriquez. "We need to work on talking for our future games."

The Dogs have a big group of girls, so they even got to play one set of C-team. The Lady Bulldogs played hard and captured the win 25-23. "It was fun to play together as a team and win," commented Jordyn Bange-6<sup>th</sup> grade. "I was surprised I got all my serves over." "It went good and was fun," continued Marisol Perez-6<sup>th</sup> grade. "I am looking forward to playing again." "It was really fun," added Luisa Ramierz. "I was nervous because it was my first game, but I really enjoyed it!" exclaimed Luisa Ramirez.
