

Bulldogs Play Final Home Game of the Season By Siena Vargas

The Golden Plains Middle School Volleyball team took on the Logan/Palco Trojans on October 9 in Rexford for their final home game of the season. The A-team and B-team won their sets while the C-team fell to the Trojans.

To start the evening, the A-team battled the Trojans in two sets. The Bulldogs and Trojans had a close start but as the game progressed the Dogs gained a lead. The Dogs took the set 25-13. Brenlynn Rath started the girls out in the second set with a 7-point run before the Trojans could gain a point. This got the Dogs going and fired up continuing their big lead of 18-7. The Lady Bulldogs kept the energy going and ended the final set 25-11, with another win for the Lady Dogs. "I think we played better than last time," said Alicia Vargas 7th grade, "We focused really hard since it was our last home game and focused on the goals that we wanted to accomplish."

The B-team also took their game in two sets. Estrella Aguilar started with a 5 point serving lead in the beginning of the set. The Dogs kept the intensity up and continued to push hard and ended the set 25-8. The Lady Bulldogs lost some of that energy they started with but still fought hard ending the second set on top 25-19 with a win for the Dogs. "In the B-team game we played really well," said Yarely Romo, 7th grade.

Following the B-team game, the C-team played one set against the Trojans. Though a hard fought game, the Bulldogs couldn't pull through and lost 24-26. "In the C-team game even though we didn't win, we played strong we still managed to get better every game," added Romo.

The Middle School Volleyball team will finish their season at the WKLL tournament held in the Colby Event Center on October 19. Before going into the tournament, the A-team record is 10-1. The B-team finished their season 6-5, and the C-team 3-3.
