

JV Boys Play Close with Huskies

By Caleb Korte

The Golden Plains junior varsity basketball team hosted the Huskies on February 21, where they played their last game of the season. Starting off for the Bulldogs were Austin Patmon, Dylan Spresser, Colby Lathrop, Nicolai Schuellner, and Jaime Infante. This was only a half of a game as the team didn't have enough players to play a full four quarters.

The game was played closely as neither team gained a lead of more than four. At the end of the first quarter the Dogs trailed 8-12 with scores from Austin, Nicolai, and Jaime. In the second half, an and one from Jacob Ritter and a shot from Nolan Ritter put them up 14-12 with 3:49 left in the game. However, a three from Northern Valley gave them a 15-14 lead with one minute remaining. The Bulldogs were unable to get a shot off and took the loss, 14-15.

The final record for the JV boys was 2-10, with wins coming from Weskan as well as Triplains/Brewster. "Although we struggled and had our ups and downs," commented Colby Lathrop, a freshman "we played hard and did our best to be successful throughout the season."

"I feel I have improved a lot this year," added Jaime Infante, freshman. "We worked hard and improved as the season progressed. We had a constant readjustment as team members changed. "I am excited for next season. We should be able to build on the gains we made this year and improve our record."

"We played a lot better as the season went along," continued Austin Patmon, freshman. "We had a lot of good, close games. Next year, we should be able to build on what we learned this season and start the season off the right way and get some wins right off the bat."

Now, they look to support the varsity boys in sub-state as they will face Greeley County. The game will be played in Tribune at 6:30 pm on February 28.
