

JV Girls play Three Quarters By Judy Rogers

The Golden Plains JV girls basketball team played three quarters of ball in Quinter on January 24. Many of the girls' games have been two quarters so they enjoyed the extra time on the floor.

Quinter controlled the game through the first two quarters of play with 20 points in the first and 15 in the second. Golden Plains trailed 35-8 as they started the third. In the third, Golden Plains outscored Quinter 9-2 but the Quinter team won the game 37-17.

Jennifer Esparza put in 8 points for GP while Karri Schaben added 5, Mabel Lugo 2, and Carmen Sepulveda 2. The JV girls now hold a 3-4 record as they plan to host Triplains/Brewster in Rexford on Friday.
