

Runners Place in Oberlin
By Judy Rogers

Every member of the Golden Plains Cross Country team placed at the Oberlin meet on September 27.

Junior Emma Weiner placed first once again with a time of 20:33.08. She finished the race nearly two minutes ahead of second place. She has placed first at every meet so far this season. "It's been a good season so far," said Weiner. "Everyone keeps improving. It was good to have the volleyball team there to cheer us on. It will be good to get some good, hard practices in to prepare for regionals."

Four boys completed the JV course with Ezekiel Weiner placing first with a time of 20:56.61. Owen Patmon came in third with a 23:36.97 run. Tanner Black followed him in fifth place running a 26:45.38 while Dominic Stout finished in 7th place at 27:47.72.

The Bulldogs will compete for the second time of the week as they travel to Ness City on September 29.
