The Golden Plains Middle School girls track team set new records at the Hill City meet on April 24. The sixth and seventh grade girls combined for 105 points to place first at the meet.

In the seventh grade division, Brenlynn Rath set another new school record in Triple Jump of 33' 2.5". She had set a new school record of 32' 7.5" at the first meet of the season, then extended it to 33' 1" at the second. This is her third school record in three meets. Rath also placed first in Long Jump with a 14' 0.5" jump and first in the 200m Hurdles with a PR run of 33.09.

This is the first year that WKLL Middle School students could compete in Javelin. This was the first meet that any GP students competed. Seventh grader Mayte Hernandez did not place but established the school record with a 58' 10" throw.
