

## Bulldogs Drop Two at Quinter

By Luz Aguilar

The Golden Plains High School Volleyball team lost two matches to the St. Francis Indians and the Quinter Bulldogs in Quinter on September 19.

The Lady Bulldogs faced off against the St. Francis Indians in the first set. The Indians took an early lead in the first set but the Lady Bulldogs worked hard to close the gap bringing the game to within one. St. Francis fought back and extended their lead for the first set win 25-17. The Indians took control early in the second set and held on for the 25-13 win.

The second match of the night was against the Quinter Bulldogs. Quinter claimed the first set 25-17 and too many mistakes by Golden Plains gave them the second set and the match 25-13 “ We tried a lot harder then last week,” said Katie Carter. “We worked really well but had some girls missing and had had some troubles with our rotations.”

The Lady Bulldogs will play against Weskan, Greeley Co., and Wallace Co. at Weskan on September 23.
